Chip,

I believe you are attending this sampling at MW Drugmand. Should we forward to PaDEP too? If so, would you please do that? It appears this hasn't been sent to DEP yet.

Doug

Will you share the below information with the full technical team involved in the sampling next week? Thanks.

Wanted to update you on a couple of Drugmand related items.

1. Testing will take place at Drugmand on Tuesday August 2. Pre-meeting will take place at MarkWest's Southpointe offices at 8 a.m. Contact person for MarkWest is Jimmy Fitzgerald.
2. We will not be able to get you a report on the prior Drugmand testing this week. Those most involved in the preparation of the report have shifted their efforts to next Tuesday's sampling event.

Please call with any comments or questions.
